Company Overview

AL FAJR AL SATEE USED AUTO SPARE PARTS TR. LLC was established in 2020 with a clear objective: to become a reliable and trusted supplier of high-quality used truck spare parts for local and international markets. Since its inception, the company has steadily built a strong reputation based on product reliability, ethical business practices, and customer satisfaction.

Operating from Sharjah, one of the UAE's major commercial and logistics hubs, AL FAJR AL SATEE serves a wide range of clients including transport companies, fleet owners, workshops, traders, and export customers. Our operations are supported by an extensive sourcing network that enables us to provide dependable solutions at competitive prices

Our Mission

Our mission is to supply the highest quality used truck spare parts that meet the rigorous demands of commercial transportation. We aim to enhance vehicle performance and extend operational life by providing carefully inspected, reliable parts sourced through our global network.

We are committed to delivering exceptional value, transparent service, and long-term partnerships, positioning ourselves as a dependable partner for businesses seeking cost-effective and sustainable solutions.

Our Vision

Our vision is to be recognized as a leading global supplier of used truck spare parts, known for quality, innovation, and sustainability. We strive to set industry benchmarks by continuously improving our processes, expanding our product range, and embracing modern technologies.

By fostering strong relationships with clients and suppliers, we aim to contribute positively to the transportation and logistics sector while supporting environmentally responsible practices

Core Values

Our business is guided by strong values that shape every decision and interaction:

Customer Focus

Understanding and fulfilling customer needs with tailored solutions.

Sustainability

Promoting reuse and recycling to support environmental responsibility.

Innovation

Adapting to industry developments and improving operational efficiency

Integrity & Transparency

Conducting business with honesty, clarity, and accountability.

Quality Commitment

Maintaining strict standards in sourcing and inspection of spare parts.

Safety

Ensuring safety across our facilities, products, and operations.

Teamwork

Encouraging collaboration and shared success among our team.
